NOTICE OF NON-COMPLIANT AMENDMENT  
MAILED BY THE EXAMINER ON MARCH 2, 2007**

To: MAIL STOP Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

**Introductory Comments**

On March 2, 2007 the Legal Instruments Examiner mailed a Notice of Non-Compliant Amendment ("Notice") to Applicant who had filed a Reply on February 21, 2007 in response to a non-final Office Action mailed by the Examiner on September 13, 2006 ("Reply").

Applicant was entitled to one month to reply to the Notice, plus extensions of time as provided in 37 CFR 1.136(a). This reply is therefore timely.

**Action in Response to Notice**

In the Notice the examiner stated that a parenthetical statement of status identifier preceding claim 19 in the listing of claims had been omitted.

In response, Applicant has attached to this document a Listing of Claims to replace the listing included with the Reply. A parenthetical status identifier has been included with claim 19. A complete listing of claims is now present in connection with the Reply.

Applicant believes that submission of this document satisfies the requirements of the Notice. Applicant has attempted to be fully responsive to the Notice. If, however, the examiner has any additional comments or suggestions, the undersigned would welcome a telephone call to discuss the matter.

The Commissioner is hereby authorized to charge any additional fees in connection with this paper, and to credit any overpayments, to Deposit Account Number 17-0026

Respectfully submitted,

Dated: March 29, 2007
